Academic Appointments

New York University

Data Science Assistant Professor / Faculty Fellow, Center for Data Science

New York, NY

Sep 2026–present

Massachusetts Institute of Technology

Visiting Student, Laboratory for Information and Decision Systems

Hosted by Sendhil Mullainathan and Juan Carlos Perdomo.

Cambridge, MA

Apr–May 2026

Institute for Employment Research (IAB)

Guest Researcher

Nuremberg, Germany

Sep 2025–Jul 2026

Harvard University

Fellow, Harvard SEAS and CRCS

Hosted by Cynthia Dwork and Juan Carlos Perdomo.

Cambridge, MA

Sep–Dec 2024

Hertie School Data Science Lab

Research Associate

Berlin, Germany

May–Jul 2022

Education

LMU Munich

Ph.D. (Dr. rer. nat.) in Statistics, magna cum laude

Dissertation: *Foundations of Prediction in the Public Sphere*.

Advised by Frauke Kreuter and Christoph Kern, with Avi Feller and Julia Stoyanovich serving as examiners.

Affiliation: [Munich Center for Machine Learning \(MCML\)](#).

Munich, Germany

July 2026

Ruprecht Karl University of Heidelberg

M.Sc. in Physics

Heidelberg, Germany

2022

Ruprecht Karl University of Heidelberg

B.Sc. in Physics

Heidelberg, Germany

2020

Honors and Awards

LMU-NYU Research Cooperation Program

- EUR 10,000 in project funding for *Foundations of Statistical Prediction in the Public Sphere*.

2025

ICML Outstanding Paper Award

- One of six papers selected; awarded for *The Value of Prediction in Identifying the Worst-Off*.

2025

Konrad Zuse School for Excellence in Reliable AI

- Doctoral fellowship and advanced training program.

2023–2026

German Academic Scholarship Foundation (*Studienstiftung*)

- Scholarship awarded to fewer than 0.5% of German students.

2016–2020

Publications
